**MENTOR PROTÉGÉ APPROVED**

Lemartec Mentor Protégé Agreement with KIRA Integrated Solutions, a wholly-owned subsidiary of THTBC, a federally chartered "Section 17" Tribal business corporation wholly owned by the Central Council of the Tlingit and Haida Indian Tribes of Alaska.

**POWERHOUSE TEAM**

Lemartec Corporation is a full-service Design-Build, and Construction Management Firm with a unique expertise in **steel design and construction**. This allows us to create value for our clients by offering value engineering, cost control estimates, schedule and constructability analysis, as well as alternate methods and materials studies. As a MasTec company, we maintain international capabilities and strategic partnerships throughout the globe to service the most complex of projects within the industries we serve.

KIRA Integrated Solutions is part of the THTBC family of 8(a), HUBZone, SDB, and other companies owned by the largest tribe in Alaska, which together provides best in class service through its many subsidiaries that include **SBA Certified HUBZone and 8(a) small businesses**. These companies specialize in a variety of areas including BOS engineering, facilities maintenance, training services and grounds maintenance. KIRA's companies have served the United States Government, for over 30 years.
